## Danish produced quality at a competitive price

TRANSLYFT are pleased to announce the launch of the **TL1000B LIMITED** as a great value supplement to the existing standard model range.

Unlike many lifting tables on the market today, quality & safety have not been compromised in the production of the TL1000B LIMITED. Using the latest manufacturing technology and techniques our engineers have produced a high quality table at great price that meets EN1570 standards.

As with all TRANSLYFT lifting tables, the LIMITED-range is manufactured in Denmark and comes complete with the high standard service and support our customers have come to expect from TRANSLYFT.

All spare parts for the LIMITED-model are held in stock.

TL1000B LIMITED is available in grey, which is used for the whole lifting table.

TL1000B LIMITED is now **IN STOCK** for immediate delivery. Delivery terms are ex works, DK-Dybvad.
